### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Keith Kline on February 23, 2005.

The application has been amended as follows:

In claim 7, line 14 the following has been inserted between the comma and "and":

-a locating mechanism provided between said zipper and said adjacent sub-blades-

In rewriting claim 7 into independent form, applicant failed to include the subject matter of claim 6 from which claim 7 as originally filed depended. As such "said locating mechanism" of line 15, claim 7 had no clear antecedent.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sherman D. Basinger whose telephone number is 703-308-1139. The examiner can normally be reached on M-F (6:00-2:30 ET)/5:30-2:00(after 4/11/05).
